Description

City Council is requested to approve the purchase of a Caterpillar 308E2CR mini excavator and related attachments. This equipment is replacing a 1992 JCB 217S tractor backhoe with 4,300 operating hours as part of the approved 2016 replacement schedule.

The mini excavator is intended for use by Storm Water Maintenance, Street Maintenance and other Public Works services. This machine's primary use will be storm water pipe repair. In addition, it will also be used for a multitude of other tasks including: pond maintenance, debris removal, brush handling, mowing, as well as digging for miscellaneous street and utility repairs.

The mini excavator is available under the Minnesota State Contract #109824 from Ziegler, Inc. in the amount of \$127,890.00.

Funding for the equipment is available in Capital Outlay – Vehicles 765602-57050.
